

STATE OF MICHIGAN  
DEPARTMENT OF EDUCATION  
LANSING

JENNIFER M. GRANHOLM  
GOVERNOR

MICHAEL P. FLANAGAN  
SUPERINTENDENT OF  
PUBLIC INSTRUCTION

August 13, 2007

TO: Nonpublic School Operator

FROM: Mike Flanagan, Superintendent of Public Instruction

SUBJECT: 2007-2008 Nonpublic School Membership Report and Nonpublic School Personnel Report

Again this year, the Michigan Department of Education is collecting the Nonpublic School Membership Report, form SM-4325, using the existing on-line Michigan Electronic Grants system (MEGS). The Nonpublic School Act (1921 PA 302) permits the Superintendent of Public Instruction to inquire into basic information about the nonpublic schools in the state.

In addition, all schools, including nonpublic schools, are required to submit specific information about all school employees in order for the Michigan State Police (MSP) and the Federal Bureau of Investigation (FBI) to conduct criminal history checks, as required in Michigan School Safety Legislation. The Center for Educational Performance and Information (CEPI) and the Michigan Department of Education (MDE) have developed an electronic data collection form --- the Nonpublic School Personnel Report --- through which nonpublic schools will submit their school personnel data to the state of Michigan. Therefore, there will be two reports filed by each school this year.

*Nonpublic School Membership Report*

The SM-4325 form, Sections 1-3, have been designed to collect information on enrollment, qualifications of teachers, and course of study in nonpublic schools. Students attending nonpublic schools, including home schools, that complete form SM-4325, may be eligible for auxiliary services. Nonpublic school and home school students have the right to enroll in non-essential elective courses such as band, physical education, music, and driver's education in public schools.

Sections 4-6 on form SM-4325 are optional. Completion of Section 6 is strongly recommended to aid in documenting teacher eligibility for National Direct Student Loan college loan debt cancellation.

Please complete and submit the form by October 1, 2007. In order to keep our records current, please notify this office by letter if your nonpublic school will not be operating during the 2007-2008 school year.

*Nonpublic School Personnel Report*

All nonpublic schools are required to submit specific information about all school employees to comply with School Safety Legislation using the secure Web-based program that is part of CEPI's Registry of Educational Personnel (REP). The information required to be submitted by nonpublic schools is minimal (name, gender, date of birth, social security number, race/ethnicity). The data collection period for the Nonpublic School Personnel Report is September 4 through December 3, 2007. You may access additional information at the following locations:
